## TWISS GREEN

**Achieving, Caring and Growing Together**

### Well Done!

All classes have worked hard during the spring term and we are very proud of all our children for their many wonderful achievements. We have enjoyed Sunshine Assemblies, sporting achievements, trips and visitors and lots of excellent learning and progress. However, a few special mentions must be made this week.

Year 5 performed alongside other Warrington schools on Tuesday at the Parr Hall. Their performance was part of the Primary Arts Network (PAN) celebration of the arts, which our display in the Golden Square is also part of. Year 5 represented Twiss Green beautifully. Their performance was excellent and their attitude towards rehearsals and on the day itself was exceptional. Their Sunshine Assembly this morning was also a lovely celebration of all they have learnt this year so far.

Year 4 performed some of the songs they have been learning in their gospel singing sessions for their families this week. They were wonderful and it was lovely to see how much progress they have made since their last performance in the autumn. Just like Year 5, their performance was excellent and included some very talented soloists! They also collected more than 90 Easter eggs and dropped them off at Warrington Hospital this week for children who are in hospital over the Easter break. We are very proud of their kind and charitable efforts and would like to thank everyone who donated an egg.

Year 6 have ended the spring term with an exhibition of their South America projects today. The variety of projects and the huge amount of effort that had gone into making them was very impressive and Year 6 enjoyed sharing their wonderful (and delicious in some cases!) project work with their families. Please check out the photos on our Facebook page to see some of their fantastic work!

Next term, we have lots to look forward to, including Year 1 and Reception's Sunshine Assemblies, sports day, residentials and our KS2 summer production. We can't wait to see more of our children showcasing their learning, hard work and talents.

Well done Team TG!

## TWISS GREEN

### Achieving, Caring and Growing Together

#### Primary Arts Network Exhibition

A reminder that our PAN artwork is on display in the Golden Square until the 22nd April. There are also many other displays from Warrington schools and the exhibition is a wonderful showcase of the talent across our town.

The PAN theme this year is 'All Change' and our display is linked to the work of Eric Carle. Classes have been looking at books such as 'One Tiny Seed,' 'The Very Hungry Caterpillar,' 'The Lonely Firefly' and 'The Mixed-Up Chameleon' and have based their artwork and poetry on these books.

#### Communication Survey

Thank you to everyone who has been able to share their views about how we communicate with you via our survey. If you would still like to have your say and haven't had the opportunity yet, the survey can be found here:

We will be analysing the results of the survey after Easter and will share our next steps with you in our next newsletter.

#### Happy Easter!

We would like to wish all of our families a very happy Easter. We hope you have a restful and relaxing break and enjoy the spring sunshine. We look forward to welcoming the children back into school for the start of summer term on Tuesday 22nd April.
