TWISS GREEN

Achieving, Caring and Growing Together

Staffing for September 2025

Whilst we are still enjoying all the fun that summer term brings, preparations are already taking place for the autumn term. Please see below to find out who your child's class teacher will be next year. In addition to their new teacher, Classes will be supported as always by our wonderful team of Teaching Assistants.

This year, we are excited to be including our new nursery class in these plans and are pleased to share that Mrs Bishop and Mrs Pullen will be our nursery staff team. They are looking forward to meeting nursery families at our new starter meeting in July and sharing some of their plans for the year ahead. If you would like to attend this meeting to learn a little more about our nursery provision, please contact the school office, who will share further details and book you in.

We are also delighted to welcome a new class teacher to Team TG! Mr Kirk is an experienced teacher, having worked for many years in another Warrington school. He will officially join our staff team in September, but will be visiting us over the next few weeks and spending some time with Year 4 ahead of the autumn term.

Now that staffing for the new school year has been decided, transition sessions will begin to take place. Children will spend the morning of the 2nd July with their new class teacher in their new classrooms. Additional transition opportunities are also being arranged between classes and plans for those children who may require a little extra support with the transition process are being put into place.

Please speak to your child's current class teacher if you have any concerns about transition for your child and would like to discuss the process in more detail.

Well done Year 1!

Year 1 have worked very hard this week. They have completed their Phonics Screening Check and prepared for today's Sunshine Assembly! Well done Year 1, we are proud of your hard work and your wonderful performance this morning.
