TWISS GREEN

Achieving, Caring and Growing Together

World Mental Health Day

Today is World Mental Health Day, and we'd like to take this opportunity to remind families of the ways we support children's mental health and emotional wellbeing in school.

While we shine a spotlight on this important topic each February during Children's Mental Health Week, our commitment to supporting our children's wellbeing continues all year round. From nurturing relationships and safe spaces, to dedicated activities and staff training, we work hard to create an environment where every child feels valued, heard and supported.

Please visit the Mental Health and Wellbeing page on our school website to find out a little more. You'll also find helpful resources there for supporting children—and other family members—at home.

Mental health matters to all of us. Please remember: our door is always open, and we're here to help in any way we can.

A child's mental health
is just as important as
their physical health
and deserves the same
quality of support.
Kate Middleton

Harvest Donations—Thank You!

Thank you for the generous donations sent in earlier this week for Warrington Foodbank. Every donation makes a difference and we are grateful, as always, for your support.

Respect, Resilience, Relationships

Spotlight On Year 4!

This week, it is Year 4's turn to share some of the wonderful things they have been getting up to in class so far this year!

Year Four have had a fantastic start to the Autumn term! They enjoyed their first trip to the library, where the children spent time choosing and reading their favourite books.

The class have also started their ukulele lessons. They've learnt how to hold the instrument correctly, play new notes and even perform some simple tunes — we can't wait to see how much progress they make by the end of the year!

Year Four were also lucky enough to have Hannah from Pallete and Plum visit them to lead an exciting art project. The children had the opportunity to create 3D books using old, unused books; craft delicate origami butterflies and design their own unique books through spray painting and collage. The final display looks absolutely fantastic — it's wonderful for the children to see their creativity celebrated each day as they come into the classroom.

In English, the children have been busy writing newspaper articles about a mythical creature spotted in the middle of the ocean. They have impressed us with their imaginative descriptions of the stormy weather and their excellent use of a wide range of Year 4 language features.

We are so proud of how well the children have done so far — a brilliant start to life in Year 4. Well done, everyone!

Autumn Term Diary Dates

Dates may be added or altered and we will do our best to give you as much notice as possible. Please keep an eye on them in each newsletter!

Tuesday 14th October	Year 1 Share a Lesson, 2pm
Friday 17th October	Year 5 Share a Lesson, 2pm
Monday 20th October	Reading and Phonics Meeting for Year 1 Parents, 9.10am
Tuesday 21st October	Open Morning for Nursery and Reception New Starters, 9.30—11am
20th—21st October	Y4 Residential to Winmarleigh Hall
Thursday 23rd October	PTFA Halloween Disco
