TWISS GREEN

Achieving, Caring and Growing Together

Anti-Bullying Week

From Monday 10th to Friday 14th November, we will be celebrating Anti-Bullying Week with the theme 'Power for Good.' During the week, children will take part in dance workshops, read No Outsiders texts, and engage in Jigsaw lessons and activities to explore how kindness can stop bullying. On Tuesday 11th, children are invited to wear Odd Socks to celebrate individuality, and our School Council will deliver a special assembly. Throughout the week, we will focus on our school values of Respect, Resilience, and Relationships, helping everyone learn to be kind, stand up for others, and build positive connections.

Children in Need and Remembrance Day

After the half-term break, we will be selling poppies and a range of Children in Need accessories to support these important causes. A full price list and details of the items available will be shared when we return to school. Children in Need takes place on the 14th November, and we invite all children to join in by wearing something spotty or a Children in Need accessory alongside their school uniform. A small donation on the day would be greatly appreciated for those who wish to support the charity. Thank you for helping us make a difference!

Mwanjati Village School Trust

Those families who have been part of the Twiss Green community for a number of years will remember the fantastic work the school has done over the years in supporting the Mwanjati Village School Trust to set up and run a school in the village of Mwanjati, Malawi. We feel that the time is right to relaunch our partnership with the Trust and look at how we can further support the children of Mwanjati and the school in the next phase of its development. Look out for a letter from Miss Bond after half term which will contain more details!

Respect, Resilience, Relationships

Spotlight On Year 5!

This week, it is Year 5's turn to share some of the amazing work they have been focusing on since the start of the academic year!

Year 5 have made a fantastic start to the Autumn Term and are developing into focused and determined learners. The highlight of the term so far was listening to the class story, Krindlekrax by Philip Ridley, and how the characters were brought to life.

They enjoyed their first class visit to Culcheth Library, discovering new books and authors to read and sharing them with the rest of the class.

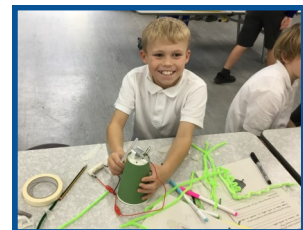

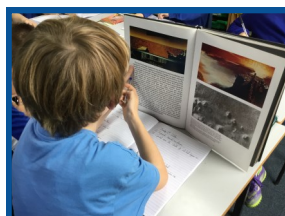

Learning how to play badminton in PE has been another highlight. They have developed their skills and serving and returning shots and even applied them in small games. During gymnastics, they developed some wonderful sequences including balances, canon and synchronisation.

In English, the children have been busy learning about the moon landings and other Apollo missions in preparation for their writing. It has been great to see the children apply Year 5 writing features into their narrative writing and formal reports. On top of this, they have even used their knowledge of space to write poetry!

Understanding the size of our solar system can be a challenge but the children enjoyed using fruits and toilet roll to discover the relative sizes of the planets and just how far apart they are. It really is vast!

Share a Lesson was another successful part of our Autumn Term. It was great to see the children and parents work together to create their 'Doodlers' in DT, overcoming challenges and solving problems. It was difficult to see who enjoyed the experience the most, the children or the adults!

We are extremely proud of the start the children have made to Year 5 and we are looking forward to more highlights as the year continues. Well done one and all!

Autumn Term Diary Dates

Dates may be added or altered and we will do our best to give you as much notice as possible. Please keep an eye on them in each newsletter!

Monday 3rd November	INSET Day
Tuesday 4th November	Children return to school for Autumn 2
Wednesday 5th November	Parents' Evening for Reception and Year 2
Thursday 6th November	Literacy Difficulties Coffee Morning, 9.15am
Thursday 6th November	Parents' Evening for Year 3 and Year 6
Monday 10th November	Parents' Evening for Nursery and for parents of children with SEND to meet with Mrs Milward
Monday 10th November	Dance workshops for all classes to mark the start of Anti-Bullying week
Tuesday 11th November	Odd Socks Day
Tuesday 11th November	Parents' Evening for Year 1 and Year 5
