TWISS GREEN

Achieving, Caring and Growing Together

Christmas Decorations Days

The festive season will be upon us before we know it and at TG, we like to begin the celebrations by inviting family members into school for our Decorations Days! This is a lovely opportunity to come and make a Christmas decoration alongside your child in school. The decorations are used to decorate our Christmas tree in the hall, or hung up elsewhere in school and are sent home at the end of term. Decorations Day for Nursery, Reception, Year 1 and Year 2 is on the 27th November at 2pm and for Years 3, 4, 5 and 6 on the 28th November, also at 2pm. We look forward to seeing you there!

TG Christmas Tree Light Switch on and Competition

Another TG tradition as we prepare for December is to switch on our Christmas tree lights. The large tree at the front of school will be decorated and lit up on the 28th November. Last year, we did this during our Christmas Fair, but have decided to separate the two events once again this year so the tree is ready to light our way into the season. Our PTFA will be selling mulled wine, hot chocolate and doughnuts between 3.30 and 4.30pm.

The lights will be switched on at 4pm by our two competition winners—one from EYFS/KS1 and one from KS2. To enter the competition, your child should design a Twiss Green Christmas card. We will send out templates early next week. As well as switching our lights on, the winning designs will be turned into our official TG Christmas cards for this year and sent out to friends of our school. Competition entries must be returned by the 26th November.

Respect, Resilience, Relationships

Spotlight On Year 3!

Year 3 have made a fantastic start to the year and have really embraced the challenge of moving into the juniors. Every day, they continue to shine by showing our school values of Relationships, Resilience, and Respect in everything they do.

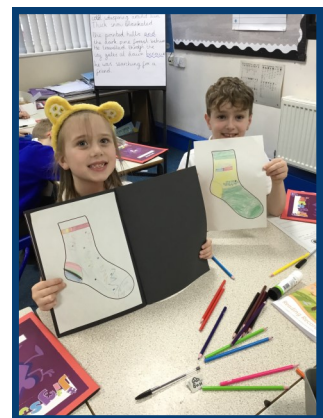

Last half term, our English work was based on the inspiring book “Coming to England” by Floella Benjamin. The children were captivated by Floella’s journey from Trinidad to England and explored important themes such as courage, belonging, and kindness. They channelled this understanding into some brilliant letter writing, producing thoughtful and creative pieces that we were able to publish.

A firm favourite this term has been our Gospel lessons. The children’s enthusiasm and energy have been incredible as they’ve learned new songs each week in preparation for our upcoming Christmas performance. Their hard work and excitement are sure to make it a performance to remember!

We also enjoyed a fantastic trip to Culcheth Library, where the children loved choosing new books and discovering different authors. Back in class, their enthusiasm for reading has continued to grow — they are eager to talk about their books, share recommendations, and add to our Reading Scrapbook.

During Anti-Bullying Week, Year 3 took part in a special dance workshop and performed to “We’re All in This Together.” This activity really highlighted the importance of kindness, teamwork, and supporting one another.

We are incredibly proud of all that Year 3 has achieved so far and we can’t wait to see what the rest of the year brings!
