TWISS GREEN

Achieving, Caring and Growing Together

Heatwave

As we come to the end of an exceptionally warm week, we would like to say a heartfelt thank you to all of our families for your support.

Thanks to the combined efforts of families and staff, the children have continued to enjoy their learning while staying safe in the heat. We really appreciate your continued support and partnership.

Staffing for September 2026

Please see below to find out who your child's class teacher will be in September (Reception to Year 6).

Sadly, along with Mrs Kelly, we will also be saying goodbye to Miss Bond in July. Miss Bond has successfully secured a teaching position at a larger school, and whilst we will miss her greatly, we are incredibly proud of her achievement. We know she will be a fantastic asset to her new school, and we wish her every happiness and success for the future.

We are equally delighted to welcome several new members of staff to Team TG. Mrs Bray will join us as our new Deputy Headteacher in September. She is an experienced senior leader who is currently serving as Deputy Headteacher at a primary school in Salford. We are also pleased to welcome Miss Appleby and Miss Coates, who will be joining our teaching team.

All three new members of staff will be in school for Transition Day on Wednesday 1st July and they are looking forward to meeting the children and beginning to build relationships with their new classes ahead of September.

Reception	Miss Bowen
Year 1	Mrs Nickson (3 days) and Mr Ireland (2 days)
Year 2	Miss Dunn
Year 3	Mrs Bray
Year 4	Miss Appleby
Year 5	Miss Coates
Year 6	Mr Kirk

TWISS GREEN

Achieving, Caring and Growing Together

Transition

Children in our current Nursery to Year 5 classes will begin the transition process by spending the day with their new class teacher on the 1st July (half a day for Nursery). Drop off and pick up arrangements will remain the same. Children will move to their new classroom following registration and will return to their current classroom just before home time.

If you have any questions about the transition process, or feel that your child would benefit from a little more support, please let your child's class teacher know.

Lilo and Stitch!

We would like to introduce you to the newest members of Team TG, Lilo and Stitch!

Lilo and Stitch are sisters from a litter born to rabbits owned by one of our staff members. They live in Nursery and the children have been enjoying helping them to settle into school life.

Once Lilo and Stitch are fully settled and happy to be handled, children from other classes may also have the opportunity to spend time with them and help with some of their basic care, such as feeding them. We hope this will provide wonderful opportunities for the children to develop their sense of responsibility, kindness and respect for living things, as well as supporting their learning and wellbeing.

If your child has an allergy that may be triggered by contact with rabbits, or if you have any concerns about them interacting with Lilo and Stitch, please let the school office know.

KS2 Production of 'The Wrong Way Round'

KS2 classes are busily preparing for their production of 'The Wrong Way Round' on the 14th July at Culcheth High School, with performances at 4.30pm and 6.30pm.

Ticket information and costume letters have now been shared with KS2 families—we can't wait to see you there!

Respect, Resilience, Relationships

Look Up and Live Workshop

Thank you to those of you who were able to join us for the 'Look Up and Live Workshop' last week. If you would like to find out more but were unable to make the workshop, please follow the link below to watch an online version. The Brianna Ghey Legacy Project have also kindly shared the slides and other resources, which have been sent out via Ping. There are copies of the resources available at the school office if you would like to collect one next time you are in school.
