TWISS GREEN

Achieving, Caring and Growing Together

End of Year Message

As another wonderful school year comes to an end, I would like to take this opportunity to thank every member of our Twiss Green community for your continued support throughout the year.

It is always a privilege to watch the children grow in confidence, develop new skills and achieve so much, both inside and outside the classroom. Reading each child's end-of-year report is always one of the highlights of the year for me. It is a reminder not only of the academic progress our children have made, but also of the kindness, resilience, creativity and determination they demonstrate every day. They continue to make us incredibly proud.

This year we say a very fond farewell to Mrs Kelly, Miss Bond, Mrs Yates and Mrs Bishop. We wish them the very best of luck in their new ventures and thank them for all they have done for Twiss Green children, families and staff over the years. They leave knowing that although they will be missed, we are proud of them and all they have achieved during their time with us. They will always be part of Team TG.

To our Year 6 children, we wish you every success as you begin the next exciting chapter of your journey. You will also always be a part of the Twiss Green family, and we are incredibly proud of the young people you have become. You have bright futures ahead Year 6 – go out and shine!

Finally, I would like to wish all of our families a happy, safe and relaxing summer break. Whether you are spending time with family, enjoying days out or simply taking the opportunity to slow down, I hope you make many happy memories together.

We look forward to welcoming everyone back on the 2nd September for another exciting year of learning and opportunities. Until then, have a wonderful summer.

Mrs Hughes

Respect, Resilience, Relationships

Spotlight On... Everyone!

Nursery

What a successful first year our Nursery have had! We have had so much fun and adventure during our time and we are all so proud of the progress the children have made. We wish all our Nursery children the best as they start their new adventure – whether that is joining our Reception class, being a role-model for our new Nursery children in September or moving on to pastures new. To celebrate our final days, we have enjoyed a graduation, a party and an ice cream from the PTFA. Thank you to our families for your ongoing support, have a lovely summer break!

Team Nursery

Reception

Wow what a year we have had in Reception! The children have grown and shone, and we are so proud of all their amazing achievements, no matter how big or small. With two fantastic fun-filled trips, our first sunshine assembly and sports day and some splashing fun through a heatwave just to name a few we have had so much enjoyment. As we leave Reception to start our new Year 1 adventure, we think about our school value 'resilience'. We have shown it in our friendships, our learning, and our readiness to try again when things felt tricky. As we turn the page to Year 1, we carry that resilience with us, curious, confident, and ready for the next challenge. Thank you to our wonderful families for your support and to the children for filling our days with laughter and learning. Wishing everyone a restful, sunny summer. See you in September, Reception superstars!

Miss Bowen

Year 1

What a fantastic year it has been in Year 1! From handling exotic animals during our Animal Teach workshop to creating our very own London exhibition, we could not be prouder of all the children and their hard work throughout the year. They have demonstrated our school values brilliantly through all the in-class activities, workshops and trips. The RESILIENCE that they have shown in their learning has been phenomenal especially in phonics which has helped them all to develop their early reading and writing skills. A real highlight for the Year One Team this year was seeing the children demonstrate our RELATIONSHIPS value at Holcroft Grange when the children joined the residents to carve pumpkins. During all the workshops and times when we have had visitors in school, the children have shown our RESPECT value by listening carefully. This was lovely to see during our 'Careers Week' where the children listened respectfully and took part in all the activities. There has been so much to celebrate from this year, and we cannot wait to see the children take on Year Two and continue to shine!

Mrs Nickson

Year 2

It has been another fantastic year for our Year 2 class, filled with exciting learning, memorable experiences and wonderful achievements. The highlight of the year was undoubtedly their first ever school residential to Delamere Forest, where the children challenged themselves and created memories that will last a lifetime. Throughout the year, they have shown enthusiasm, resilience and curiosity as they explored topics including the Great Fire of London, hot and cold places around the world, and developed their creativity through sketching, painting and clay. They have also enjoyed improving their cricket and ball skills in PE. Beyond the classroom, the children have met a real author, visited the Fireground Museum, handled fascinating animals during Science Week, and taken part in special annual events such as World Book Day, Jim Jam Jog and Sports Day. We are incredibly proud of how much every child has grown in confidence and independence over the year. They have embraced every opportunity with enthusiasm and are now more than ready to take the next exciting step into Key Stage 2. We wish them every success as they continue their learning journey.

Miss Dunn

Year 3

Year 3 have had such a fantastic year, full of lots of amazing memories! The children have worked so hard across the curriculum and should be really proud of everything they have achieved. One of our highlights has been our writing, especially our work based on *Coming to England* by Floella Benjamin, which inspired some fantastic pieces of writing. Another unforgettable moment was our Gospel performance at Parr Hall. The children showed so much confidence and resilience on stage and absolutely shone. We've also enjoyed lots of exciting trips, including our recent visit to Liverpool Museum for a brilliant mummification workshop. Well done, Year 3, on an amazing year! You have all made Miss Bond so proud and she is going to miss you all so much.

Miss Bond

Year 4

Year 4, it has been an absolute pleasure to teach you this year. I am immensely proud of the resilience, respect and relationships you have shown, not only towards me but, more importantly, towards one another. Watching your ukulele concert made me smile from ear to ear because I know just how much hard work, determination and practice you all put into learning a brand-new instrument, as well as the singing parts. You should all be incredibly proud of yourselves. It was a wonderful way to finish Year 4 in style. I know each and every one of you will be fantastic in Year 5, and I already can't wait to hear about all the exciting learning and opportunities that lie ahead for you. As you move on, always remember to believe in yourselves, keep trying even when things feel challenging, and never stop being the kind, caring people you have shown yourselves to be this year.

Mr Ireland

Year 5

What an absolutely fabulous time the children have had in Year 5. They have approached all learning with enthusiasm, applying their skills and knowledge with gusto. Forest School has been a particular highlight, and it has been great to see the children using their creative and problem-solving skills – and of course, Ninja Squirrels was a hit! The texts studied in English have also been well received with the children particularly enjoying 'King Kong' and 'Greta and the Giants', the latter being our focus for the Environmental Exhibition. Finally, the children enjoyed the enhancements to the curriculum this year, particularly the Anglo-Saxon visit to Norton Priory and the Maya workshop which brought History to life. Well done this year and here's to another amazing time in Year 6!

Mr Kirk

Year 6

What a truly unforgettable year it has been for our Year 6 children! From their incredible residential to London to their outstanding determination and positive attitudes during SATs, they have made us immensely proud every step of the way. They embraced every opportunity, whether dissecting a heart in Science, performing brilliantly on stage, singing and working behind the scenes in our KS2 production, or being exceptional Reception buddies and wonderful role models for our youngest children. They developed new skills through Capoeira, impressed us with their creative South America homework projects, and broadened their understanding through visits to Warrington Museum and a Buddhist temple. There was plenty of fun along the way too, from our unforgettable post-SATs Beach Party and this week's fantastic Inflatable Day to a memorable World Book Day, complete with incredible costumes, energetic character rap battles and the unforgettable trial of Miss Trunchbull! As a lasting legacy, Year 6 have created a beautiful mural in the KS2 playground, leaving behind a lasting reminder of the importance of kindness for everyone in our school community. It has been a year filled with laughter, adventure, challenge and achievement, and we are so excited to see everything they go on to accomplish in the next chapter of their journey.

Mrs Kelly
