TWISS GREEN - *' a learning community where everyone matters and everyone cares.'*

Thank you to everyone who has supported our charity work this week both with the Mwanjati cake sale and the poppy appeal. Mrs Maw worked on the poppy sale with our School Council and with help from some other parents, organised the cake sale. Mrs Pullen also made the beautiful poppies, with Breakfast Club children, that are decorating our new fencing at the front of school. Come and see them if you haven't already.

Curriculum development: Two years ago we began to overhaul our wider curriculum, then the floods caused by the roof replacement and Covid slowed our progress. Currently we are working really hard to develop the curriculum and lots of work is taking place driven by our subject leaders. The new history and geography document can be seen on the curriculum page of the website.

Charity work and events at Twiss

Green: Next week will include Odd Socks Day on Monday as the start of anti-bullying week and Children in Need on Friday. Merchandise will be on sale as our contribution to Children in Need.

Maths Evening:

Thank you to all the Teachers and Teaching Assistants who stayed late into the evening on Monday to talk to families about the maths curriculum. Parents who attended talked about how useful it was. Mrs Sinclair's presentation is also on the maths page of the website—please take a look. It will really help you to understand the theory behind our approach to teaching maths in school. This week has also been Maths Week in school and the children have enjoyed some different experiences of maths.

Breakfast Club's fence of remembrance.

TWISS GREEN - ' a learning community where everyone matters and everyone cares.'

Dates for this term:

Half-term seems a long time ago already, after a week of Open Days. It has been lovely to show new families our school and the children have been wonderful

Ambassadors. This is always a very busy half-term with lots of events for families to get involved with.
