TWISS GREEN - *'a learning community where everyone matters and everyone cares.'*

Welcome back to half-term two. I hope you had a good break. This half-term will see many of our traditional events resuming. Please see the reverse of the newsletter. We are all looking forward to getting involved with all of these.

Maths Evening:

It is some time since we were able to have curriculum evenings. On Monday 8th November we will carry out a maths information evening. This will involve a presentation from Mrs Sinclair, our maths subject leader, in the hall and a number of teachers will be available to demonstrate and explain how maths is taught across school.

These events are invaluable to help you support your children's learning and I would encourage you to attend. In order to be Covid secure the presentation will be recorded on a loop so that families can move around school and avoid congested areas. You may wish to wear face masks.

New fencing:

You will have noticed the new fencing if you approach school from the front entrance and the new gate at the back. Apologies for the Breakfast Club and After-school Club doorbell—we are doing our best to sort it out!

This new fencing has created an area for the children to use outside Year Three and Four classrooms and created a bit more space for waiting and passing.

Staff have been creating cosy reading areas in school.

Dates for this term:

Half-term seems a long time ago already, after a week of Open Days. It has been lovely to show new families our school and the children have been wonderful

Ambassadors. This is always a very busy half-term with lots of events for families to get involved with.
