## Parent Survey:

Thank you so much for your feedback. On the reverse are the results of the table. Below are the main comments you have provided us with.

### What we are doing well:

You were very positive about our school ethos and listed the following as aspects of Twiss Green we should celebrate: 'happy', 'caring', 'high expectations', 'life skills', 'culture', 'inclusion', 'welcoming', 'safe', 'support for those who need it', 'staff who go above and beyond' and 'behaviour and discipline'.

### What we should work on:

You have told us we need to improve communication. This not only includes sending out information and modernising our systems, but also how we share what we do as clubs, visits, how we teach and challenge learners, the charity work we do and the sports we are involved with. Each week I will add a 'You said...we did' section to this newsletter so that you can see our progress against your expectations.

## Harvest Celebration—Thursday 7th October

In order to stay safe we have not invited families to join us at the moment. We hope you can understand this decision. Each class will be preparing a short contribution and teachers will send these to you via Seesaw after the celebration. We would like to have our usual Harvest collection of dried, packeted and tinned products which we send to the Warrington food bank to be shared with families who need it. This is one of the regular charity events we run. Please send produce in on Wednesday next week. The address below takes you to the website where the food bank lists what is needed.

### **You said** improve clubs.

**We now** have 11 different club offers running this half-term and we are planning our programme for after Christmas in good time so that you get the full selection before we break up. On the website there is a separate page about clubs and we will add pictures to celebrate and share what we are doing.
