**TWISS GREEN** - 'a learning community where everyone matters and everyone cares.'

## Children's Mental Health Awareness Week:

Next week Mrs Puckey, our Mental Health Champion, will be launching the week with an assembly for the children on Monday focusing on children's mental health. Each class will then spend some time during the week on learning and activities to promote wellbeing and good mental health. It is another event we have in the past invited families to join with and I hope at some point we will be able to again, but for now, because of Covid safety may I invite you to explore the website with your children and perhaps do something together as a family for everyone's wellbeing.

**Safer Internet Day 2022** | **Tuesday**  
8 February

Coordinated by the UK Safer Internet Centre

We will be having a significant focus on Internet Safety on Tuesday 8th. Sadly, at the moment, we are unable to invite lots of families into school, but teachers will share what each class will be covering via Seesaw and homework will be set linked to Internet Safety so that families have an opportunity to address this very important topic together.

Please can I also direct you to the [online safety section of our website](#) for further information.

Covid update: We are still doing really well as a community, with very low numbers. Thank you for all you are doing to keep our whole school in action.

## **Dates for this term:**

**We have purposefully kept this term fairly straight-forward because we thought we might have the highest Covid numbers in school. So far numbers are keeping very low at Twiss Green despite rising numbers across Warrington.**

**Long may it last!**

## **Headteacher's Awards:**

**The following pupils have earned a Headteacher's Award this week. Well done!**

**Rowan in Year Two for a lovely holiday diary**

## **Athletics inter-school competition:**

**We are so delighted to get back into inter-school competitions. Last week a team of Year Five and Six pupils came second in a local competition at Culcheth, and secured a place in the Warrington finals next week. We are so proud of them, not only for their athletic achievements but also because of the number of people from outside Twiss Green who complimented their behaviour and courtesy! Well done Team TG and thank you to the staff who facilitated this—especially Mrs Durr. Good luck for the finals!**

**Road Safety: I have been asked to remind families not to park on or opposite the zigzags outside the school gate as it reduces visibility and make it difficult for our walking children to cross the road safely. We try to encourage the children to walk to school as much as possible, both for their own health and wellbeing as well as the environmental impact. It also helps our very limited parking situation. Thank**
