Donate Your School Shoes!

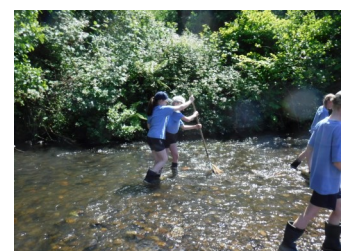

We have been asked by Warrington Foodbank School Uniform Exchange for donations of good quality school shoes to support the many requests they receive over the summer holidays from local families in need. To help with this, we are asking that your child brings in any pairs of school shoes they may have that still have plenty of wear left in them on the last day of term, Friday 22nd July. They may be old pairs from previous years, or a current pair that your child will have outgrown by September. If your child is donating their current pair, they may come into school wearing trainers for the day.

Thank you in advance for your support.

Trips

It has been lovely to see many of our children enjoying their recent trips to Seven Acres Nature Reserve and Blackpool Zoo. With more trips and even a residential planned for the next few weeks, we can't wait to hear all about the children's experiences! Please have a look at our Facebook page (Twiss Green Community Primary School) to see more photos of the children having fun on their trips.

Summer Fair

The PTFA are currently busy organising our Summer Fair, which will take place on Sunday 10th July, 2-5pm. Please see the message sent via SchoolPing from the PTFA for details about donations of tombola and raffle prizes and Jolly Jars to be brought into school on Thursday 7th July. If you are able to volunteer any time to help with the fair on the day, please send an email to: twissgreenPTFA1@gmail.com. We look forward to seeing you there!

Introducing our Sunshine Room!

As many of you already know, we have been busy developing the room that used to be our school library into a nurture room. We have called the room our 'Sunshine Room.' The room is there to be used by any child in school who may need a little extra support or nurture and is filled with resources such as cushions, bean bags, a trampoline, a tent and various sensory toys. It also contains resources to help children understand and manage their emotions. We are still developing the room and working on how to use it to maximum potential but hope that it will be a space in school to help support our children for many years to come. If you have any good quality resources such as books, games or sensory toys/ equipment you no longer use and may be put to good use in the Sunshine Room, we would appreciate any donations to help make the room a really special place for our children.
