Parent/Carer Questionnaires

Thank you for all your responses to our recent behaviour questionnaire. Your views are very important to us and we appreciate the time you have taken to share your thoughts. Our aim is to redevelop our behaviour policy taking into account your views along with those of the children, staff and our governors.

We hope to have our new behaviour policy ready to share with you during the autumn term.

Please look out for a more general questionnaire over the next couple of weeks which will also seek your views on developing our school vision and values. Apologies for asking you to complete another questionnaire, but it really is important to us that we have the views of as many members of our school family as possible.

Next week, we will be asking the children to complete a poster for homework all about what makes Twiss Green special to them. We will use their work to feed into the development of our vision. We can't wait to see what they come up with!

Please note, the decision has been made to postpone the movie night, which was planned for the 1st July, until the autumn term.

SchoolPing

Just a reminder that from the 1st July, we will be using SchoolPing to share key messages and important information with families. This will replace the texts and emails we currently use. Please download the app if you haven't already. Today's newsletter has been sent to you via SchoolPing as well as via email as a test of the system. If you have already downloaded the app and haven't had the newsletter through on SchoolPing, please let a member of our office team know.

We are aware that communication is still an area for us to work on and improve, please do bear with us while we try to get this right.

Sports Day

Sports day is on the 5th July. Please look out for more information about this soon!

Parking

We have been asked by a resident of Petersfield Gardens to remind our families to park safely and courteously during school drop off and pick up times.
